## **1. Warranty Policy for Accessories Included with New Equipment**

All original accessories included with newly purchased Scantech equipment are covered by a one-year limited warranty from the date of purchase (If there are additional purchased care services, the purchased care services will prevail).

Accessories that have been replaced or repaired are covered by a ninety-day limited warranty from the date of replacement or repair.

This warranty covers defects in materials and workmanship only and does not apply to damage or malfunction caused by accidental damage, misuse, abuse, neglect, liquid ingress, fire, earthquake, or other external causes.

The warranty does not cover consumable items, including but not limited to marking points of various sizes and coded targets, except where a material defect in the product itself is identified.

## **2. Warranty Policy for Accessories with Extra purchases**

All accessories purchased directly from Scantech are covered by a ninety-day warranty.

Accessories that have been replaced or repaired are covered by a ninety-day limited warranty from the date of replacement or repair.

This warranty covers defects in materials and workmanship only and does not apply to damage or malfunction caused by accidental damage, misuse, abuse, neglect, liquid ingress, fire, earthquake, or other external causes.

The warranty does not cover consumable items, including but not limited to marking points of various sizes and coded targets, except where a material defect in the product itself is identified.
